The Spirit Strong!!

Saint Mary's is now seventy years old!

It is time to celebrate our strong spirit, unity and pride. Together, we share seventy years of growth, tradition and fulfillment. Generations before have experienced the same strong feelings that we share now.

The spirit of Saint Mary's is as alive today as it was seventy years ago. We all share in it — students, faculty, parents, alumni, and friends. It's a spirit that is not easily explained but easily felt.

Seventy years of existence is something in which we can take pride. Not many schools in Arizona can make that claim — especially one as small as Saint Mary's.

Saint Mary's will always be a part of everyone who has walked through her doors. It has touched the lives of many people, and has left memories that will last and remain in our hearts forever.

The primary function of the 1986-87 Student Council was to organize many activities and help keep school spirit high. Over the year, Student Council coordinated and organzed functions such as Homecoming, 8th Grade Day, and many of the dances.

As a result of this, school spirit was increased. Overall the Student Council of 1986-87 did a good job at fulfilling its obligations to St. Mary's.

Ski Club has been brought back to life by the organization and efforts of club dent Vince Fitzpatrick and Moderator Mr. Kennelly. The club is organized for the se of allowing large groups of students to ski together, with lower group rates and ut the hassle of driving. This year, the Ski Club took a trip to Snow-Bowl in taff. A car wash to raise money helped to defray the cost of the trip for some nts. The Ski Club has plans for longer trips in the future.

Ski Club

The St. Mary's Math Club - "Mathletes" - is newly organized this year under the direction of Mrs. Fessler. The purpose of Mathletes is to promote mathematics, and to compete nationally and locally in various tests and contests. Some of these competitions lead to possible scholarships and others to school and/or individual recognition. We have been a team of eleven, faithful charter members this year and have learned a lot. The club is open to all grades.

At St. Mary's, Spanish Club means more than school: it means community. This fall the club responded to the Valley's need for food by working on the SM Food Drive with the Religion Department.

"Fiestas Patrias" at the Civic Center invited the club to participate in celebrating our neighbor Mexico's Independence Day.

Christmas saw a first for St. Mary's and for Phoenix, in cooperation with the local chapter of Chicanos Por La Causa. The club was responsible for direction, staging, and presenting the first Spanish production of a "pastorela", a short play which is an important part of the Mexican Christmas tradition. In February the club attended the National Touring Company of Mexico's "Ballet Folkorico" at the Sundome.

Plans for next year?? Miss Molloy says more emphasis will be placed on club activities in the community, building the club's identity at school, and fund-raising for the Senior Spanish Club members to go to Mexico City — Ixtapa in June of '88.

SPORTS

SPORTS

86-87 Varsity

The Saint Mary's Football Team started its year with highstrung goals and objectives. One of the most important goals was to extend its winning streak by taking the State Championship for a third consecutive year.

The team members began at Monterrey Park in July with a good deal of physical conditioning. In August, the Senior Lettermen took the traditional cabin trip to the White Mountains, along with the coaches. Throughout the season the excellent coaching staff never let team members forget who they were and what it would take to become a championship team.

Even though the main goal was not quite achieved, the team with help of the coaching staff had a great season and still has the feeling of being a "class act" group of players.

J.V. Footba

This year the Junior Varsity Football season was spectacular, as the team finished with a respectful 7-0-1 record.

The team consisted of talented players and diligent athletes. The tremendous work of the defense and the hard running of the offense was astonishing. The team went through tears and anger when they tied with Brophy, settling for a score of 6 to 6. On the other hand, the team was able to experience the excitement of victory in beating Deer Valley; the winning score being 26 to 12.

A few players who should be recognized are: Seth Carr, Gavin Grant, and Steve Neal (three offensive running backs). On the offensive line were Mike Simon, Nick Martinez, and Thom Martinez, who did a great job of blocking. Mark Delgado and Ed Smith (also on the offense) made some key catches when they were needed. Although the credit is given to the Junior Varsity team and coaches, they couldn't have accomplished what they did without divine inspiration.

The freshmen were said to be the team to break the winning streak, but they started their season with one of the players running to the wrong huddle in the first game. They then beat Camelback 30 to 21 and began to get ready for their next game with Brophy which was destroyed 43 to 13. Their game at Horizon was a thriller. It was the fourth quarter, and they were still undefeated which began to change peoples' minds from doubtfulness to confidence. Their next game with Greenway would decide whether they would win first place or break the winning streak. Their desire to win led them to a 35 to 11 victory. After beating Thunderbird 27 to 6, they began to celebrate the winning streak for one more year.

The 1986-87 Basketball season was a success. The Knights made a valiant effort towards the state crown, but they fell short losing in the state semi-finals to Corona Del Sol.

The Knights started a surprising year by winning their first five games. They then stumbled in the Compadre Christmas Classic. The Knights went on a tear, winning six straight again but losing four out of the next five games. The Knights finished the regular season strong by winning their last three games and taking the Skyling Division regular-season title with a 12-4 record. In the Skyline tournament, the team survived three close games, won the title and earned a bye in the 1st round of the state tournament. A surprising Westwood team was turned back in a second round game and the Knights advanced to the semi-finals where they eventually lost to Corona Del Sol and finished the season 20-7.

The Knights were led by seniors Mark Wetzel (20 pts a game), Gary Blevins (12 rebounds), and Chris LaScala (4 assists). The team thanks Coach Gray and his assistant coaches for their hard work and dedication which made the 86-87 campaign a successful season.

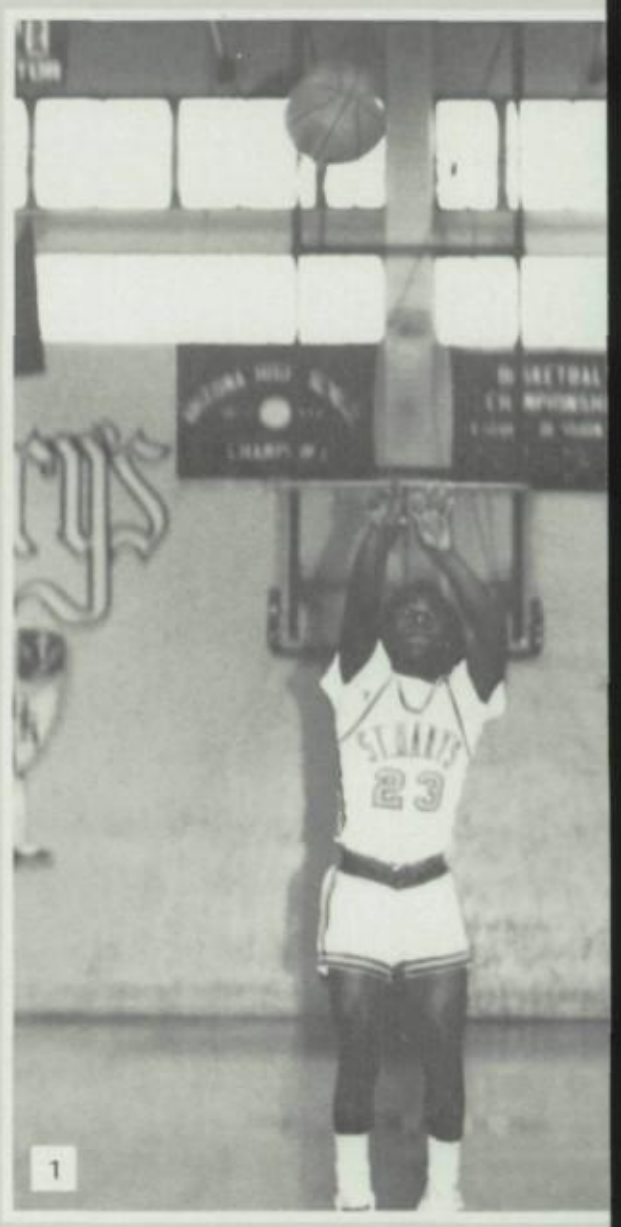
Frosh Basketball



The St. Mary's freshman basketball team under the leadership of Coach Mark Dora and Assistant Coach Paul Ruiz, had a spectacular season of 15-2. The awesome starting team consisted of John Ganados, Craig McCure, Armando Saldate, Paul Stayer, and Matt Taylor. The key backup players were Tim Fairbanks, Ian Howard, Brian Musselman, J.J. Jack, George Jackson, Jason Jones, Joe Lastinger, and Jack Laughner. The team would like to thank the cheerleaders and the fans for their support.

Girls Varsity Basketball

This year's girls basketball team worked hard not only during the season but all year long as well. With the experience they gained during the summer and winter leagues, the Lady Knights got off to a good start by winning their season opener against Shadow Mountain. Unfortunately this trend didn't continue as the team dropped their next two games to Yuma and Shadow Mountain. The season however, was not without some bright spots. Besides winning their opening game, the girls made a good tournament showing by beating Central and almost wiping out Xavier twice. In terms of a win-loss record, this year's team didn't improve greatly, but their overall playing did reach a higher level.

Varsity Volleyball

Another Year Of Fun

This year Coach Zenauskas had a great obstacle to overcome in volleyball — no real height. How was his team going to compete against six-footers? The solution was not to relay heavily on spiking or blocking, but rather on serving and digging. This proved successful as the girls were able to hold their own against every team. At times, like the match against Thunderbird, they were able to overcome a defecit and win the match. With the leadership of six seniors, this year's team worked hard and gained the respect that was so long overdue.

J.V. Volleyball

Best Year Ever!!

The 1986 girls' J.V. Volleyball team had their best season ever. The girls finished the season with nine wins and seven losses. Cecila Kelly and Julie Wantland headed the team as captains. Jenny Alairid, Juanita Rodriguez, and Shaunna O'Dowd were named most improved players of the season. With the entire team's spirit and dedication, they were able to obtain many victories.

A New Experience

The 1986 Freshmen Volleyball team had a lot of experiences to remember after their first year at St. Mary's. The girls tried their best and played well under the direction of Coach Tina Chacon. The girls learned to work together as a team, with determination and a positive spirit that is so typical of the Lady Knights.

Tennis

This year's Tennis Team had a lot of fun showing what good sportsmanship and spirit are all about.

A special thanks to Coach Johansen for all his effort, encouragement, energy, and especially a great deal of time. He demonstrated patience towards all of his players, and he made them realize that it is not who wins, but it is how the game is played.

The Seniors leave a message to those who will be participating next year: remain dedicated to yourself and the team, and strive for all you've got.

The team parred better in its second season, scoring 1 victory against Goldwater High School. The team is looking forward to the new season, hoping it will be successful with more experienced playing and new team members.

Soccer

This year saw the emergence of a winning season for the Soccer Team. An important ingredient in their formula for success was the guidance of Coach Duah who turned around a team that had back to back losing seasons. He commended the players' optimism and desire and put their talents to use by making the team the best it could be.

The Knights got off to a good start and played steadily all season long. Their final record was 7 wins, 4 losses, and 2 ties. Their league record was 3-2-1 including victories over Cortez, Glendale, and Washington. The Knights were in the running for a playoff berth until they lost the heartbreaking last game of the season to Thunderbird.

Standout players this year were: Senior Midfielder, Jesse Flores, who was team captain; Randy Romo who finished second overall in scoring throughout Arizona; Seniors Brian Osbourne and Tony Hernandez who through the course of the season showed their leadership qualities; Senior Louie Schwall and Junior PJ Celaya who led an extremely strong defense. Exceptional Juniors included speedster Chris Tiffany, aggressive Brian Prebil, physical Kyle Pentkowski, hard-working David Silva, Art Fairbanks, and outstanding goalie, Jason Rose.

J.V. Baseball Team

The 1987 J.V. Baseball Team was one of the best St. Mary's has seen in several years. The Knights began the season on a tear with a 6-0 record after 6 games. They finished the season with an excellent 12-5 record.

This mix of Freshmen, Sophomores, and Juniors prided themselves on hard work and a true team spirit. Though they had excellent pitching and a team batting average of close to .400, no superstars emerged. Every player contributed equally to the winning season.

Coach Gregory prepared the team all season for varsity ball, by teaching them how to win and how to deal with a loss. This lesson will pay off next year and in the years to come.

Freshman Baseball Team

This year's Freshmen Baseball Team did an excellent job. They started off the season with a hard loss to Shadow Mountain and then to Brophy.

A few games later, they broke the .500 mark with three straight wins and then tied Thunderbird. After the tie they lost to Shadow Mountain again, but strengthened their weakness and rallied past Brophy. They then lost three straight to tie their record at 7-7. Finally, they got themselves together and won their last two games to end the season 9-7-1.

The team thanks Coach Kennelly, Coach Ahern, and the rest of the coaching staff for their support.

Varsity

The Varsity Softball team ended their season with a 2-16-1 record. The beginning of the year was very promising; they had much talent, determination and potential. However, when it came to the actual games they just couldn't bring it all together. Next year looks promising because all but four of the players will be returning.

One thing that can be said about this year's team is that they were very competitive. They kept the scores close and didn't get blown out as in past years. At times this was very disappointing because they always seemed to be on the verge of a victory which never came through. The girls were proud of the fact that for the first time in St. Mary's history they beat Xavier. The score was 9-3 and they looked the best they did all year.

JV Softball

The 1986-87 Softball team didn't have a successful season as they wanted, but did gain some victories they will never forget. The team showed pride and dedication throughout the entire season. Their high spirits helped them to stay in the game.

This year's Coach Mike Gregory helped the team achieve many goals by making the girls "practice like champions". Together the team showed great effort. Next year's team is looking forward to a winning season.

Varsity Swim

The 1986 Swim season started out on a low note. Having a total of 12 swimmers, the team was in need of help. Their positive mental attitude however, helped them win three more meets than last year, sending eight people to the Skyline Divisionals.

Without having a permanent pool, the team never experienced the "home pool advantage." Nevertheless, their sheer determination and unflagging spirit would not let them "throw in the towel." Ms. Hurt, a great coach and friend, led St. Mary's Swim Team to its greatest season thus far.

Varsity Pom

Creativity, coordination and the capability to learn dances in less than one week were some of the main factors of being on the Pom line. Working together and coping with each other was hard for a line consisting of sixteen girls.

Through the leadership of their captain, Jeanine Lavin, the line proved to have much dedication. They attended the USA Spirit Camp at NAU in early July, where they won the "hardest working line" award. This was a great accomplishment, considering they were a "brand new line!"

JV Cheer

The 1986-87 J.V. Cheerline, which consisted all of Sophomores, was one of the best St. Mary's has had in a long time. They all worked very hard to create new cheers and stunts and did a great job of it. They all gained much experience in preparing themselves for cheering on the Knights to many more victories!

This year's Freshman Cheerline was certainly the biggest St. Mary's has ever had. It was a great challenge for these girls to be on such a big line, not only because of the dedication it took, but also because they were new to the St. Mary's Spirit.

Midnight Dream

There always seems to be an excited feeling that the students share when Prom arrives each year. Prom is an event where lifelong memories are created. These special moments that are spent together with friends will live in one's memory forever.

The entire day is spent preparing and anticipating an evening of dining, dancing, and living it up. For some, Prom night seems just a dream that somehow comes to reality.

This year's Prom was held at the Embassy Suites on May 9th, at 8:00 pm. The theme was "Midnight Dreams" and with the ballroom elegantly decorated in blue and silver, it gave the Prom a dreamy atmosphere. This year's Prom King and Queen were Eddie DaSalla and Lisa Cordova.

Knights Of Honor

When the word "Graduation" is mentioned to Seniors, you can always see a sparkle that lights up in their eyes and a smile that begins to extend from cheek to cheek. But yet there is still that hesitant look that accompanies their feeling of happiness.

These Seniors have just achieved a great accomplishment: 4 years of hard work and determination. Now they are taking their first step onto whatever path lies ahead of them. Each will have new challenges and new experiences; some with old friends, others with new. But there will always be that special bond between the friendships made during their years in high school. With the spiritual atmosphere and educational background obtained at St. Mary's, they will succeed.

The night of graduation will always be a remembrance in each Senior's heart as a "KNIGHT OF TRIUMPH AND HONOR".

Candles And Roses

The Candle Rose Ceremony represents the passing of responsibility and enthusiasm of the Student Council officers to the incoming officers. The ceremony also includes a token of thanksgiving to the Student Council of the present year.

The candle represents the responsibility of the future officers to be the light that will guide others. The rose given to the outgoing officers recognizes the service, effort, and time they have given to the school throughout the entire year.

Lady And Knight Of The Year

Much is expected from St. Mary's students and all strive to meet these high standards. Every year we honor two students who excel in all areas of student life: academics, school spirit, strength of character, and fortitude.

The two selected this year are students who exemplify the live the Christian values which St. Mary's stands for. We wish them success as they venture forth, and we pray their examples will make the world a better place. Congratulations, Lorrie Hernandez and Mark Wetzel.

Valedictorian: Lorrie Hernandez, Salutatorian: Chris LaScala

To be chosen Class Valedictorian or Class Salutatorian is an honor in itself. The two students who receive these awards have worked hard for four years to reach a high scholastic standing.

Not only have they attained certain academic goals, but they have also played active roles in their Senior Class by participating in many different activities: sports, Student Senate, and clubs.

Congratulations to Lorrie Hernandez and Chris LaScala who were chosen for their academics and for the contributions which they have made to Saint Mary's.

The 1986-87

Goodbyes Aren't Forever

A yearbook is many things to many people. This El Caballero is meant to be much more than just a sequence of events. It recaptures the mood and the very spirit of the students who fill its pages.

St. Mary's will always be a home away from home to many of the students and teachers. In this 1986-87 El Caballero, the yearbook staff strived to capture all of the special moments which this year gave to each of us.

The El Caballero is a tribute to the students who have come and gone, and to those yet to come. For these are the people who make this school what it is; without them there would be no St. Mary's.

To the staff goes my sincerest appreciation and thanks for their many hours of hard work in helping to publish this yearbook.

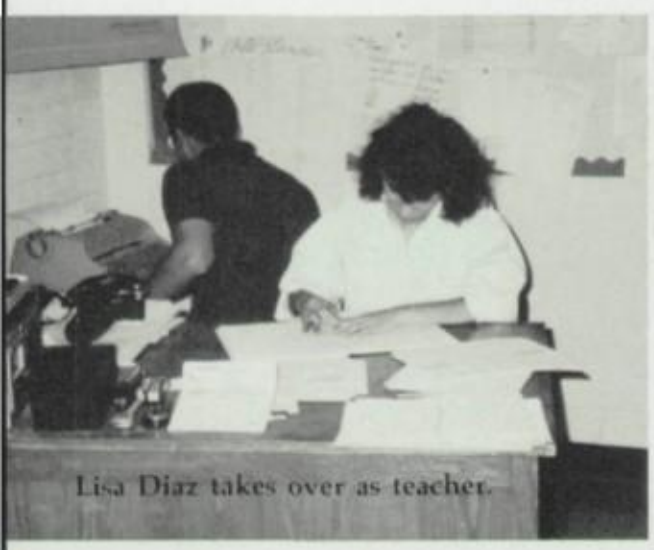
Wait, I know that guy!

Let your fingers do the walking, Delores.

Anna Magos has too many pictures to choose from.

We just can't wait to get to class!



Lisa Diaz takes over as teacher.

Miss Jim is always there to offer advice.

Gloria takes a breather.

There's No Arizona bank Like The Arizona Bank.

At The Arizona Bank, you'll find a wide range of personal banking services designed to meet your individual needs. Like Discount Checking, the checking account you won't get a big charge out of. Or our high interest Savings and Time Deposit Accounts.

Our 24HR Tellers allow you to choose the banking times that are best for you. We're part of the Plus System, the nation's largest automatic teller machine network. That means you can do your banking virtually anywhere!

So, come see us. For the very best in specialized services and personalized attention. After all, The Arizona Bank has been providing thousands of Arizonans the necessities for meeting their financial requirements for well over 80 years. You'll see too, there's just no Arizona Bank like The Arizona Bank.

Jennifer

Congratulations to you and your fellow seniors. Throughout these past four years, you and your friends have shared with us many memories of joy and many tears of laughter.

Jennifer, your many accomplishments have made us extremely proud. You have matured into a very special adult, one we're happy to have as our best friend.

You all are probably the best class to graduate from St. Mary's in thirty years.

Our love and congratulations,
Mom and Dad
